Please read the respective job descriptions before completing this application.

I understand that the position for which I am applying is one that will consume a significant amount of time and energy with minimal monetary reward. I will ably and willingly discharge the duties and responsibilities in a mature, timely, competent and professional manner in harmony with the highest standards of responsible and ethical journalism without regard to personal biases and prejudices. I commit to working in a spirit of collaboration and focus on the greater goal of creating a continuously updated, multi-platform, leading-edge news operation that serves the campus community, reflects the changing news industry and showcases the best student journalism SMU has to offer. I also pledge to respect the autonomy of *The Daily Campus* and SMU-TV as published on their traditional print and broadcast platforms.
